“ We are heart broken to hear about Tyler's death. Our granddaughters MaKenna and Jaimie were dear friends of the family. We didn't know Tyler, but Emily was like one of the family ! We too lost a son almost 19 years ago, and the pain does get softer as time goes by. That's the only way I can describe it. Right now I know it is just unbearable for you. Prayers are going out to give you the strength to endure ! God bless your family !

“ So many memories of Tyler from birth all the way through his young adult life. Summers were most enjoyable with all Tyler's family in the back yard pool or tubing or tanking down rivers. Rest in peace, Tyler. The Stroud family
