“ *It is so different walking into work and not see my precious friend sitting there folding towels in her red CH shirt. We miss seeing her and the family coming in. Thank you so much for sharing Viv with us all. She is home now and that is what she wanted. Love and miss you my friend.*

“ She was my girl scout leader and I have numerous, fond memories of this time we spent together camping, singing, hiking. She was always with a smile and sense of humor. We braved the mosquitos, rain, and she had many activities planned for us I will remember always. What a wonderful person who gave her time and energy so easily. Her sister used to take me to the Community Concerts with her daughter Cindy which exposed me to classical music, dance, etc. Rest in Peace and my heartfelt sympathy to the family and friends.

“ Debbie & All, I remember your mother fondly from our grade school years. She was our Brownie and Girl Scout leader and a very nice woman. I am so sorry for your loss. You are in my thoughts and Prayers.
