“ *I remember Wally and Gagee's Chocolate pies. Every holiday she made pies for everyone, and Wally would hide my chocolate pie and tell me she didn't make one for me, then he would laugh and laugh. I loved him so much, He is with his parents, and sisters. He will be missed in the physical world, but the love in my heart for him is forever. Dottie*

“ Uncle Wally,
You were a great Uncle, Mentor, Friend and Role Model. You and Marge always welcomed my family and I into your home and treated us like we were part of your family. You did a great job raising your sons. They are all successful upstanding citizens. I like to think of them as my Brothers.
