“ Angie and family. So sorry to hear about Wayne. Haven't seen him for awhile, but he was always so nice. Have lots of memories, but remember the time you came to our place in 1990 to replace our roof from the 90 tornado? We were unable to be to the service yesterday, but our thoughts are with you. God Bless!

“ I was so sad to hear we lost Wayne. He really was very special to me. He made a trip to Omaha when I first moved here and took me out to dinner. I will never forget his kindness. I was planning to get to the service today but 2 gals out of my office this afternoon and the weather cancelled my plans. Please know I loved Wayne and my prayers are with all of his family.

“ I was given a ride home and back to Dinsdale many times by your husband and father. He made everyone of them enjoyable and I always felt safe riding with him. I will remember you in my prayers this next week.
