

Wendy Rae Waterman

April 9, 1963 - January 25, 2017

Wendy Rae (Briggs) Waterman, 53, of Grand Island died Wednesday, January 25, 2017 at the Nebraska Heart Hospital in Lincoln.

Memorial services will be held at 11 a.m. Wednesday at All Faiths Funeral Home. Daniel Naranjo will officiate. To honor Wendy's wishes, cremation has taken place.

A gathering of family and friends will be from 5-7 p.m. Tuesday at the funeral home. Wendy was born April 9, 1963 in Mount Vernon, WA, to Dick and Judy (Anderson) Briggs.

Wendy was known universally for her big heart, big smiles and endless capacity to love everyone. She gave so generously to her family and friends and never expected anything in return, except a big, loving hug. Wendy loved all children, especially the children at Saint Francis Daycare - and they loved her. Forever gentle, loving and compassionate, Wendy leaves us all wanting just one more hug.

Those left to cherish her memory include her son, Jeremy (Caleigh) and their daughter, Clarice of Aurora; her daughter, Amanda of Omaha; her parents; brother, Dave Briggs of CO; several aunts, uncles, cousins and loved ones including Steven (Melissa) Herzberg and their son, Benjamin of MO; and her

beloved four-legged "Buddy".

She was preceded in death by her husband, Mike Waterman.

All memorials to the family will be designated at a later date.

“ *To Wendy's family and friends, we are so sorry for her loss. We knew Wendy from her days at Wockypatch day care in Grand Island where all three of our children attended. She was so nice to all the kids and always had a smile and kind word. She will be missed and her memories cherished by so many. She touched a lot of lives and will be fondly remembered. RIP Wendy!*

“ *Wendy was always such a kind-hearted and compassionate woman. I have wonderful memories of Wendy, Jon, and I at the Beach cabin, putting on skits and musical productions for family while staying with our grandparents/aunt and uncle in Aurora, and of course at the farm in Clay Center. Although we did not see each other often, when we did see each other, it was as if no time had passed and we picked right up where we left off years before. My thoughts and prayers are with your family and I hope you can take comfort in the wonderful memories you have of Wendy. She will be dearly missed.*

“ Wendy was loved by my four children so much, she really went the extra mile with them. They will never forget her kind, gentle spirit. Wendy also help me out more than once, I hope she knew how much we all appreciated her. Her absence is a tremendous loss to our community, particularly the daycare in which she truly made a difference. We will never forget you.
