“ Wilda was truly a Christian who lived her faith. As my Mother (Charlotte Mc Farland) always said, she didn't spread an unkind word about anyone, even though she loved to talk. She adopted the entire Rohweder family when she married Kenny, and became the “historian”! We all received books with information on the Rohweder cousins and their families, dutifully researched and typed by Wilda.

The last time I was able to visit her at Tiffany, she again brought me up to date and told me about her wonderful family. She was extremely proud of all of you, and grateful for your love and care. She leaves a beautiful legacy.

“ I spent many an evening with Wilda at different bingo games, as I was a State inspector. Such a lovely, kind lady. Indeed many players spoke to her and enjoyed her beautiful smile. She was always a bright star to my evenings. My sincere sympathy to her family.

“ *My dad, Veryl Chapin was a first cousin of Wilda and spent a great deal of time at the Pierce farm helping Uncle John. One of his fond memories of Wilda when she was born was helping Aunt Hilda churn butter and using his foot to rock Wilda's cradle.*

Our family was always very close to the Peirce and Paustian family. Wilda will be greatly missed by so many of her cousins.

“ *Wilda was always a bright place in nay day. As I grew older and left Nebraska (again) I only got to see her at funerals for the most part. She was always glad to see everyone and, obviously, a "family favorite", as you usually had to wait for a chance to visit with her. My prayers go out to her family and friends for peace and comfort and I can't help but smile as I picture Wilda entering Heaven and being greeted by hundreds if not thousands of smiling souls waiting to welcome her, with Kennet in the lead.*
