“ *Auncle Billy aka one of the Hatchee Men, living so far away from you made it hard to get to know you as much as Id loved to. But the time we did spend togeather was great, you had a lovely wife who took great care of you and loved you deeply. Probably my fondest memory would be, we went out for the day seeing some of the sights of Perth and to finish the day in Fremantle, you wanted Australian made souvenirs to take back to Nebraska. Only to find its all made in China haha.. but you did eventually find some after walking all over Fremantle. We finished that day with you buying us cake and coffee.. I loved your wicked sense of humour and that big smile and your strong determination in life to do what you wanted*

“ *I will always remember the times Bill and Belinda would come over for supper or Thanksgiving dinners and he would sit around with his grandkids listening to funny sounds on their phones and laughing so hard together. Bill was a very loving and caring man and will be deeply missed by all. Rest in peace Bill, love you deeply. Lu*
