“ *Our deepest sympathy to Wini's family. She was one of the sweetest ladies I have ever met in my life!! I met her through my jobs at 2 local clinics. She was a joy!! Craig & Sue (Kosmicki) Foss*

“ *Mrs Boldt was the leader of the brownie troop I joined back in elementary school days. I remain grateful for all of her hard work and imagination, and continue to cherish memories of riding the bus to camp and making craft items such as: A candy dish made from old an old long playing record (the thick ones), a "sit-upon" for camp shaped like a giant green fish and a "nose-bag" to stow all of our day camp gear. We also painted band-aide boxes (metal with flip-top lids in those days) for individual first-aide kits. Her kindness and patience and yes, just her attention meant a great deal to a lonely little girl who changed schools five times in the just first grade alone.*
